   ○ Live Stats: Progress bars for funds, materials, and families helped.

   ○ Impact Stories: Testimonials with images and short descriptions.

4. Contact Page:

   ○ Form: Name, email, and message fields.

   ○ Info: Contact details and social media links.

5. Footer:
   - Links to Privacy Policy, Terms, and social media icons for sharing.

SUPPORT WAYANAD

Kerala is grappling with the devastation caused by multiple landslides and flash floods, which have claimed death toll crosses 400-mark, over 150 still missing. Now, sustained and coordinated efforts are essential to compensate for the loss of lives and livelihoods, rehabilitate the displaced, and rebuild their homes. You can support the recovery of those affected by natural disasters by generously contributing to Unity for change fund (UFCF).
